

## Getting the Most From Your Glass Cockpit!

In this meeting we will discuss ways to develop a well rounded use of your glass cockpit features to increase operational safety. The focus of the meeting will be finding strategies to mitigate risk associated with flight operations utilizing cockpit technologies. This meeting will be repeated daily August 19 - August 21 at 12pm in Classroom 4.

**Directions:** Classroom 4, Hillsboro Aviation

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
